June 2016 Meeting

This was an open discussion about the members breeding season so far, due to holiday's, sickness and maybe the football it was not a good turn out with only 11 members making the effort. The only good point for the members was that most that turned up left with a raffle prize.

The breeding season seems to be the same story for most members, clear eggs, dead in shell, and adult birds not feeding their young. However, Dick was having a good year so far and was even thinking to putting a stop to the rest of the breeding season as he had already bred over sixty Fife Canaries. Well done Dick keep up the good work, so anyone looking for good quality Fife's next year speak to Dick I'm sure he'll look after you.

Anyone wishing to buy or sell birds or equipment can do so in the newsletter or on our website free of charge to members. All you have to do is contact me with what you want or what you're selling, my contact details are at the front of this newsletter. Remember the safest place to buy and sell birds and equipment is from people you know, Club members. You get to see the birds first, see what they have been breed from, what their diet is and how they have been kept. Of course we cannot do without trusted Pet Shops and dealers, but with our newsletter and website we have a forum to share information, so if you have a good or bad experience with a Pet Shop, dealer or breeder, you can let the rest of the members know about it.

The free entry cash draw sponsored by Vista Workspace Solutions was won by Mick Pegram, the cash in the jar was £85.53p, John Lawrence was close with a guess of just over £7.00 away from the total, but Mick's guess was only £6.00 away from the total. Mick then donated all of his winnings back to the Club to be put towards the prize money for this year's Open Show on Saturday 17th December 2016.
