June 2017 Meeting

At this meeting, we had Vic Rampling talking to us about how he keeps his Border & Fife Canaries also, Vic shared his knowledge of wild weeds & seeds and how he uses them to feed his birds.

Vic has been a member of Dagenham CBS for many years being well known for the breeding and showing of Border & Fife Canaries. Not just weeds and seeds, Vic also forages for nesting materials and uses marsh grass for the birds to make nests which keeps the nest moist and eradicates mites.

There were some interesting conversations going on in the hall with many questions asked by the members and lots of tips taken on board. A big thank you to Vic for a very informative talk and enjoyable night.

Before the quiz starts we will clear our storage cupboard into a van ready to be taken to the new hall. July will be the last meeting at Heath Park Hall.

July will be the last meeting at Heath Park Hall. This has been our home for over fifty years, but with the new owners/management team in charge of the hall the service has gone downhill and they have let us down on many occasions.

With that in mind, at our last meeting the Members discussed moving to a new venue and the Committee and Members have agreed that the new home of Dagenham Cage Bird Society will be Wantz Hall (behind 1st Steps Nursery) Rainham Road North, Dagenham, Essex, RM10 7DX.

Meetings will be the 3rd Saturday of every month 10am to 12pm.

The Committee at the hall has been very helpful and has shown an enthusiastic willingness to work with us. They have made a storage brick built shed available to us for our staging and we will have our own lockable storage cupboards in the kitchen. We have meeting rooms and a hall available to us, all for less rent than Heath Park.

So, our first meeting at Wantz Hall will be Saturday 19th August 2017 10am to 12pm.

Dagenham CBS Committee believe that by having the meetings on a Saturday morning more Members will find it easier to attend and it may even encourage new Members to join. It will be easier for our Show League (no more bringing your birds out at night) and at every meeting we will have a Sale Table where Members can bring in birds or bird related items for sale. Any sold items the seller can make a 10% donation to the Club, any items not sold the seller will take home.

Before the quiz starts, we will clear our storage cupboard into a van ready to be taken to the new hall.
