CAGE BIRDS SECTION

This section is organised and staged by the Dagenham Cage Birds Society in conjunction with Cage Bird Societies in neighbouring districts.

The colourful display of many varieties of Budgerigars and Canaries, together with a number of our native British Finches and foreign birds of exotic beauty, shows what a pleasing addition this hobby can make to any home or garden.

The stewards and officials on duty, or any member of one of the Cage Bird Societies sponsoring the Show, will be pleased to offer advice on any aspect of bird keeping in cage or aviary.
