"Take Care on the Roads"

CAGE BIRD SECTION

This section is organised and staged jointly by the Dagenham and District Cage Bird Society and The Essex Canary and British Cage Bird Society.

The Dagenham and District Cage Bird Society which was founded in 1935 celebrates its 21st anniversary this year. The Essex Canary and British Cage Bird Society, although only a new Society founded in 1955 is thriving rapidly.

The exhibits staged in this Section offer a colourful display of many varieties of Budgerigars and Canaries, together with the British and Foreign Birds of exotic beauty. These species staged together show what a pleasing addition this hobby can make to any home or garden.

On show in the aviaries are various coloured Budgerigars and a variety of British and Foreign Birds and Canaries all bred by members of the two Societies. These exhibits alone will fully justify your visit to the show.

The Stewards and Officials on duty or any member of the Societies will be only too pleased to offer advice on any aspect of birdkeeping. Do not hesitate to ask.
