## CAGE BIRD SECTION

This section is organised by the Dagenham and District Cage Bird Society and the Essex Canary and British Cage Bird Society. On view there will be a colourful display of many varieties of budgerigars and canaries together with the British and Foreign birds of exotic beauty. These will show what a pleasing addition this hobby can make to any home or garden. In addition to the exhibits on the show bench there are two aviaries filled with splendid colour. These alone will fully justify your visit to the show, so make this section your first visit.

The stewards and officials on duty, or any member of the Society will be only too pleased to offer advice on any aspect of bird-keeping.

Both Societies welcome old or new fanciers, especially the beginner. So if you do wish to join either or both, the Secretary will be pleased to accept your enrolment.
