

**"BRED in the Borough"**

**CAGE BIRD SECTION**

This section is organised by the Dagenham and District Cage Bird Society and the Essex Canary and British Cage Bird Society. On view there will be a wonderful display of many varieties of canaries and budgerigars together with British and foreign birds of exotic beauty. These will show what a pleasing addition and interest caged birds can make to any garden or home. In addition to the exhibits on the show bench there will be two aviaries, one filled with budgerigars and the other with beautiful foreign birds. These displays alone will fully justify your visit to the show, so make sure you visit this Section's marquee. The stewards and officials on duty, or any member of either Society, will be only too pleased to give help and advice on any aspect of bird keeping. Both Societies welcome old or new fanciers, especially the beginner. If you do wish to join either or both, the Secretaries will be pleased to accept your enrolment. Interesting lectures are given at meetings of both organisations.
