CAGE BIRD SECTION

This section is organised by the Dagenham and District Cage Bird Society. This fascinating hobby of bird keeping has never been more popular than at the present time and whether one keeps a large aviary in the garden or has just a single pet, the interest is just the same. On view in the marquee will be a wonderful display of the different varieties of both canaries and budgerigars together with British and most colourful foreign birds. In addition, there will be two aviaries, one filled with budgerigars, and the other with foreign birds. A visit to this marquee will be very worthwhile. The stewards and officials will be pleased to give advice and answer any questions on birdkeeping. New members are always welcome.
