CAGE BIRD SECTION

This Section is organised by the Dagenham and District Cage Bird Society. On view in the Marquee you will find a wonderful display of different birds: canaries, budgerigars, British and foreign. A visit to our Section will prove most worthwhile. It does not matter whether you keep one bird or a hundred the interest remains just the same and you will be most fascinated by our hobby. Officials and stewards will be pleased to help and give you advice on any aspect in bird keeping and we always welcome new members, so why not join our club?
