

CAGE BIRD SECTION

The officials and members of the Dagenham and District Cage Birds Society look forward to meeting friends old and new in the Cage Birds Marquee. If you own a pet bird and have a problem, do come along and have a chat, possibly we can help you. If you own a garden aviary, then we feel you should already belong to our Society.

We cater for all breeds of Canaries, Budgerigars and Foreign Birds and meet on the third Friday in each month at the Heath Park Hall for film shows, lectures and discussions. We also promote three shows each year.

If you are interested in any form of bird-keeping do come along to our meetings. The Secretary will be available throughout the Show and will be pleased to meet you and answer your queries.

A children's pet bird competition will be held on Sunday 9th at 3 p.m. and all children are invited to come along. There are prizes for every entrant in the competition.

THE CIVIC MARQUEE

We cannot get away from it however much we try. None of us is self sufficient — we each need the services provided by the Borough Council as they affect our daily lives, year in year out, from birth to death.

There are such essential services as midwives, health clinics, care of children, schools, housing, refuse collection, sewage disposal, roads, welfare of the infirm and aged, to mention but a few. There are also parks, playing fields, cemeteries, meeting places, entertainments — such as the Town Show — amongst many of the things that the Council provide for the well being and leisure of the local residents.

It is, of course, not possible to depict all the Council's services, but an idea of some of them can be seen in the Civic Marquee where visitors will be sure of a welcome at any of the stands.

Explanations of the exhibits of further information regarding the services will gladly be given by the members of the staff on duty.
