The President's Comments

As you will all know, our last Meeting was our first AGM for two years. Richard opened the Meeting to about 25 people and held a minute's silence for one of the great Members and Birdmen, Ken Grigg,. While we were all silent some of the birds that were for sale started to sing as if on cue.

Richard asked if all those that stood two years ago wanted to stand again. This was a unanimous decision. Yes.

I am honoured to stand as your President again and for this I thank you all.

Richard asked me about the finances. I had printed out Balance Sheets and handed them out. I explained that they were based on the last two years and the bottom line was that we lost approximately £750.00. I explained that the main reason for this was that the Club paid out £1,275.00 towards the cost of the new staging. If it had not been for that we would have made a small profit. Members present had no questions so the Accounts were accepted.

On the question of the staging Richard said it should be delivered around the end of the month. Les asked where it would be stored and Richard said temporarily at his premises until we can clear the old store room of all the old staging.

Richard went on to talk about the monthly Meetings, i.e what sort of things to put on. Members said what they would like to see. Richard is going to try and arrange these.

A motion was put forward for Barry, Fran and Val to be made Life Members. This was accepted by all present with a show of hands and a round of applause, plus a big thank you for getting the Newsletter out every month during the pandemic to keep us all informed on what was happening at the Club.

At the Meeting, someone asked me if we could perhaps hold a Bird & Equipment Sale or even an Auction. We will have to see if this can be arranged for later in the year.

In the last Newsletter Richard said that his firm, Vista Workspace Solutions, will be pulling out of awarding prize money at the Shows, so this means our Club will be paying out over £1,100 in prize money and more for the other events and the Young Stock Show. Although we have a strong bank balance it has taken years to get it to that sort of money. My point is, if we do not look at ways of reducing the amount of prize money given we will see a sharp fall in our bank balance. It would be nice if we could find some firms that may be willing to sponsor our Shows.

These were just some of the points talked about at the Meeting. I will leave it to Richard to tell you more.

This is the time of year when I have to remind you that subs are now due. Normal subs are £15.00. Partnerships £20.00 and Juniors are free.

If you can't get to the Club you can send them to me at the address on the inside front cover of the Newsletters. I hope to hear from you or see you soon.

Pete

PS The Newsletter is getting bigger and bigger. So much so that Barry has worn out another printer. He has had to buy a new one so I think the Club should either buy it or, at least go part way with him.

The Club Secretary's Comments

Thank you to everyone who came to the AGM and a big thank you to all the committee members who have offered their services for another year.
Richard

Open Message re the AGM from Mick Pegram

I refer to Peter's comments at our AGM about handy numbers that might help at anytime. I personally have spoken both with Peter and Shane. It is really appreciated by all members that our sponsor, Direct Bird Products, attends our meetings each month and honours any pre ordered items. No-one is trying to take that away from them. However not all can wait until the meeting should they require anything quickly –especially as the breeding season is almost upon us. Therefore these other outlets can be invaluable especially if not known about. Shane understands and quite agrees and has no problems about it but it seems like Peter must have taken one of his 'grumpy' pills – hey ho that's Peter for you!

Anyway that's all. It was a great meeting this morning with a good attendance by old and new members who are very welcome!

Mick

February 2022 Meeting

This is the First Round of the Dagenham CBS Show League 2022

We have changed the format of the show to try to give a more balanced outcome.

Members can only enter the maximum of 4 Birds for each show (50p per cage)

The Members will judge the birds again this year. Exhibitors are permitted to judge BUT CANNOT VOTE FOR THEIR OWN BIRDS. This will be checked when the scores are collated.

Each Member/Judge who wants to take part will receive a judging card that they will print their name on at the top and write the cage numbers of the birds they think are best from 1st to 3rd in each section, British, Mules & Hybrids – Canaries – Foreign

Here are the scores each of those birds will receive 1st = 10 points, 2nd = 8 points, 3rd = 6 points. Any birds that do not receive any votes at all will get 2 points.

After all Members/Judges have finished judging, all of each bird's points will be added together to find their total score to see what bird has won.

Prizes for each show

Best Bird in Show – £20.00 + Large Rosette
Best British – Medium Rosette
Best Canary – Medium Rosette
Best Foreign – Medium Rosette

Judging competition winner – £20.00

This will be the Member/Judge who has picked the correct order on their score card the same as the final result. If there is more than one winner the score cards will go into a hat to pick one winner. If there are no correct winners, it will go to a count back, with any score cards that have all the right 3 birds but in the wrong order put into the hat.

Prizes after both shows

1st Place – Shield + Trophy + £50.00
2nd Place – Trophy + £30.00
3rd Place – Trophy + £20.00
