Think first or you may never think again

CAGE BIRD SECTION

This Section is organised and staged by the Dagenham Cage Bird Society in conjunction with Cage Bird Societies in neighbouring districts.

The colourful display of many varieties of Budgerigars and Canaries together with a number of our British Finches and foreign birds of exotic beauty, shows what a pleasing addition this hobby can make to any home or garden.

Birds of any kind are a joy at all times, and they are easy to cater for. You will find, as many others have done, that it is a hobby which grows on you and should you start with only one or two birds, very soon you will be wanting more and in time may end up with a large collection.

The stewards and officials on duty, or any member of one of the Cage Bird Societies sponsoring the Show, will be only too pleased to offer advice on any aspect of bird keeping in cage or aviary.
